It's a DFA Mission Assignment, currently we do not have a state signature. I'm still waiting on their approval before the Amendment is processed.

Subject: Mission Assignment for ESF-10 Amendment

Mason, will you please amend our ESF-10 mission assignment (4332-DR-EPA-04-00) to extend the completion date until October 31, 2017. This will ensure we can complete the disposal of the wastes at the Houston Branch, as well as demobe our base camps in Beaumont/Port Arthur and Corpus Christi. No additional funding is needed for the amendment.

With Regards, Steve
